

Road Traffic Safety Policy

Erith Haulage Company Ltd operational activities involve the road transportation of construction related materials, equipment, and waste. The Directors of Erith Haulage Company Ltd recognise the importance of effective RTS management to ensure the safety of all employees and persons effected by our operations.

Erith Haulage Company Ltd will implement a Road Traffic Safety Management System to ensure the effective control of RTS risk.

It is the policy of Erith Haulage Company Ltd to;

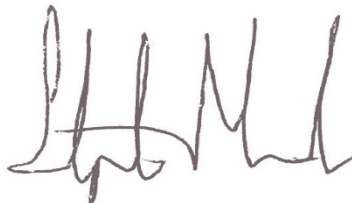

- Eliminate road traffic related fatalities resulting from its activities.
- Reduce and eliminate all road traffic related injuries resulting from its activities.
- Comply with applicable legal requirements and industry best practice which relate to the RTS activities of the company.

To meet the requirements of this policy, the Directors of Erith Haulage Company Ltd will;

- Establish a framework for setting RTS objectives and RTS targets.
- Ensure sufficient resources are provided to meet its RTS objectives and targets.
- Monitor its performance at regular intervals to identify areas for improvement.
- Ensure the maintenance of Fleet Operators Recognition Scheme (FORS) Gold accreditation.
- Commit to the continual improvement of the Erith RTS management system.

All employees on their part are encouraged to contribute actively towards achieving a work environment that is free of accidents and incidents.

Erith Haulage Company Ltd Road Traffic Safety Policy will be reviewed annually to monitor its effectiveness and to ensure that it remains relevant and appropriate to the organisation.
